DETAILED ACTION

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 16 February 2007 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

Claims 1-33 are allowed.

The following is an examiner's statement of reasons for allowance:

With respect to Claims 1, 9, 13, 16, 19, 21, 23, and 30, the prior art of record teaches many of the elements of the claimed invention, including a system for x-ray analysis, and the method for its use, the system containing a digital, portable, hand-held x-ray camera with: a housing containing an x-ray source and an integrated power system containing an internal power source; controllable, integrated display means in the way of an indicator light; detecting means structurally unattached to the housing; and powering the x-ray source so that x-rays impinge on the teeth of a patient.

However, prior art fails to teach or fairly suggest the system or method wherein the integrated, controllable display means comprises an LCD screen, in the manner required by Claims 1, 9, 13, 16, 19, 21, 23, and 30.

Claims 2-8, 10-12, 14-15, 17-18, 20-22, 24-29, and 31-33 are allowed by virtue of their dependency upon Claims 1, 9, 13, 16, 19, 21, 23, and 30, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
